Locking Center Console**Active Anti-Theft System**

Yes, the exterior of a car matters. However, you spend most of your time *inside* the car. Make sure you make your *Dark Horse* your very own by customizing the look and/or material of the seats, floor mats, floor liners, cargo space, and miscellaneous storage.

Interior options are shown to the left. *Included options have not been shown.* Please communicate with your dealer what options you would like in order to prevent collision. *Options continue onto next page.*

BONUS FEATURES

Luckily, the Dark Horse comes standard with our best-in-class sound system features. However, if you feel like you still could do better, we've got your back with our extensive range of bonus features, not already shown.

TREMEC 6-Speed Manual Transmission

For the gearheads, we've decided to bless the Dark Horse with three pedals.

Dark Horse Handling Package - \$5,495

Adjustable Strut Top Mounts, Magnetic Damping System, Revised Chassis tuning... what's not to love?

10-Speed SelectShift Automatic Transmission

If working the clutch just isn't your thing, don't worry. Our SelectShift 10-Speed shifts gears with ease.

Security Package - \$500

Active Anti-Theft System, Electronic locking Center Console, Wheel Locking Kit

SUMMARY

Hopefully, after looking through this booklet, you've carefully picked out what options you would like to accompany your *Ford Mustang Dark Horse*. If you have any questions, feel free to reach out to your local dealer, or the salesman who assisted you in the process of selecting your vehicle.

Please join your salesman as you fill out the option sheet above. They will explain and clarify the steps in acquiring your new *Mustang Dark Horse*, and will handle pricing.

Please return this binder, booklet, and any associated business cards to your local dealer.

Thank you for choosing for Ford Motor Company.
